

NECTON

ATLANTIC 2018 - 2019

Across the Mediterranean Sea and the Atlantic Ocean, north along the east coast of the United States until arriving in Greenland.

From there back to Europe via Iceland.

We are looking for friends and fellow travelers to share this wonderful sea experience. We foresee three different types of navigation:

CROSSING: The crossings provide long voyages on the high seas with overnight navigations.

CRUISE: The cruises are characterized by short day cruises to explore the islands and the countries we visit.

STOP-OVER: During the stops NECTON provides a convenient base for visiting the major cities: Lisbon, Las Palmas, Miami, New York and Reykjavik.

If interested please write to:
